Voucher Policies

• Discount vouchers may not be sold. They are for the sole use of Networking Academy students and instructors who have met the eligibility criteria outlined by Cisco Networking Academy. Individuals or Cisco affiliated partners who use certifications discount vouchers or promotional codes that are fraudulent or otherwise obtained from an unauthorized source (including legitimate vouchers for attempted re-use) may risk up to and including a lifetime ban on all future exams, the nullification of all previous certifications or other program sanctions at the discretion of Cisco. Cisco will not compensate candidates for fraudulent vouchers or vouchers obtained from an unauthorized source.

• Networking Academy Community Member (Student, Instructors, Instructor Trainers and Administrators) who are found to be involved in voucher fraud risk their deactivation from Networking Academy and the deactivation of their Academy from Cisco Networking Academy without notice.

• Exam discounts must be used in the same region where you completed your Networking Academy training.

• Exam discounts must be used and you must take your exam by the expiration date. No extensions, exchanges or refunds will be given.

• Cisco cannot make changes to discount requests after they have been submitted.

• The exam discount is valid for one use only. Students who fail the certification exam will not be issued a second exam discount.

• Exam discount promotions are subject to change and from time to time validity periods and exam prices also change. These changes occur without notice. Please request and redeem your discount in a timely manner to avoid being affected by any changes.

Discount voucher eligibility indicates success with a Network Academy course. It does not guarantee a passing score in the Certification exam. Cisco encourages you to prepare well for the Certification Exam to maximize your chances of passing.
